2012-2013

JANASADHANA

JANASADHANA is a leading organization has been working for the sustainable & integrated development of weaker section of society through undertaking various welfare activities in the socio-economic sector. It has a long presence in different regions of Orissa and has a vast experience of working in different sectors like Agriculture, Health, Education, Environment, Handicrafts & Handlooms, Agriculture & other alternative income generation sectors since 2001.

I. Agricultural & Allied Activities:

We have given training to farmers on Trans-plantation of paddy in Kujanga block of Jagatsinghpur district on line sowing, line transplantation sponsored by ATMA, Jagatsinghpur. Besides this we have also given training on poultry farming, mushroom cultivation and fishery to the farmers in Bhanjanagar, Oupada, Daringbadi and Astarang .

II. HANDICRAFT CLUSTER DEVELOPMENT PROGRAMME:

Janasadhana is engaged in Cluster development programme (Stone Carving) sponsored by D.C. Handicrafts Ministry of Textile Govt. of India in Boulagadia village of Soro block in Balasore district under AHVY scheme.

III. Skill Development Training Programme:

The organization has provided Vocational Training to the women SHGs on Badi, Pampada, Spices, Insectics, Pickles, invitation and greeting cards, readymade garments making, Handicraft items (Stone Carving, Applique, Terracota, Wooden toys and candle making), Handloom Items(saree, dhoti, lungies, scarf etc.of both cotton and tosser material), Carpets and several other items with the help of different Agencies like STATE HANDICRAFT, ORMAS, SIDAC, NABARD, MISSION SHAKTI, DRDA, DIC etc. Besides that JANASADHANA takes special care for upgrading the managerial skill of the women SHG, Nilagiri(Oupada, Balasore), State Bank of India(Soro, Balasore), UCObank(Soro, Balasore)etc.We have also given training on computer, Mobile repairing, Motorcycle repairing to the unemployed youths in Baipariguda,Daringbadi,Biridi,Aska block.

IV. Literacy Programme:

The organization has been involved with various Activities related to spread of education in backward areas of Orissa like organizing Awareness programme on Adult Education, Women Education & Education for Dropouts and Non-starter children. The Awareness Programme includes various activities like organizing literacy camps in villages, slum areas, organizing street play, distributing leaflets, display of hoardings, wall paintings etc.

VI. Non-Residential School:

It has started non-residential school in Subarnapur village of Banki block in Cuttack district for dropout children with the help of Global Fund for women, USA & it is running the school with its own fund. 60nos of children are taking formal education in the school.

V. Women Empowerment Programme:

The organization has been working for the empowerment of women in different areas of Orissa, particularly in rural & backward areas. The women are being awarded about their role in socio-economic field of society. It is clearly reflected by growing no. of women representing from backward society in different social, economical & political sector.

VI. Handloom Activities:

Janasadhana has been trying for the development of Handicraft Sector as well as the integrated & sustainable development of poor weavers through providing various trainings, promoting the Marketing systems, developing facility for increase of production after the training programme in Kendal Village of Jagatsinghpur District and Fakirpur Village of Keonjhar District.

It has engaged the weavers producing various Handloom items like Lungi, Saree, Bed Sheet, Door Screen, Scarf of both cotton & tosser silk materials by providing them the raw materials and purchase the products with their profits to sell it through SHGs in different exhibitions in the state.

VII. Socio-economic Environment Impact Assessment Study:

Janasadhana has vast experience of conducting Socio-economic environment Impact Assessment Study in different socio-economic and geographical belts of Orissa since 2005. It has already conducted survey in about 6 districts of Orissa and now it is engaged in the same activities in other districts.

The objectives of the study is to assess Socio-economic environment Impact upon the people living inside the project areas and to prepare a database on in order to make a plan for the rehabilitation of affected people directly or indirectly by the concerned projects.

The different areas in which it is involved in conducting survey includes Soro, Oupada, Banki, Tangi-Chowdar, Astaranga, Joda, Badbil, Rourkela, Koida etc. for different project purposes like Baseline Survey for Handicraft and Handloom Clusters, and Socio-economic survey for project like establishment of ports, expansion of Industries and Mines.

It has already conducted survey in association with various Govt., Semi Govt., Private agencies like Ministry of Textiles Govt. of India, NABARD, TATA POWER, Navayuga Engineering Company, Thriveni Earth Movers Pvt. Ltd., MGM Mineral Ltd., Nuagaon Iron & Mg. Mines, OCL India, Chariot Cement Company etc.

VIII. TI Projects (HIV / AIDs):

Janasadhana has been working for the prevention and control of AIDs in different districts of Orissa, through adoption of various innovative methods like organizing awareness programmes, promotion of condoms and distribution of IEC materials related to HIV / AIDs among migrants, FSWs and MSMs, in both rural and urban areas.

Now it is implementing Target Intervention Project (T.I.) for FSWs and MSMs in Bhanjanagar, Aska & Belaguntha Blocks of Ganjam District in association with OSACS, Govt. of Orissa for the prevention and control of HIV /AIDs.
